

Welcome Back!!!

Are you all ready for a new year? A year that will be full of changes, fun, growing, and "our year" is already half over! In just a few short weeks, we will begin evaluations and have a parent conference. There are things that will help your child do his or her best on the evaluations. Please start working on recognition of the last name, counting as high as possible (no stress - our goal is 100), phone number, birthdate and address. Most skills are easily covered with a group but those listed need individual focus more than we can often give. Start watching for sight words - we will do a variety of activities to make these fun. Please always send a coat with your child - even when it may warm up a little, we go out in the early morning and it is cool on the playground. Please contact me if you would like to do mystery reader - if I have notice, I can be flexible with our schedule and we would LOVE to have you come.

Thurs. 1/5: show & tell - please allow one toy for this activity.

Mon. 1/16: No school

Tues. 1/17: We would love to play with any remote controlled toys that you have around the house already. Please charge the batteries or have fresh ones on hand - the toys are no fun when they stop moving. This is just a one day activity.

Wed. 1/18: Wear different textures in clothing.

verse 1: I will look unto the Lord. Micah 7:7

verse 2: Be ye doers of the word, and not hearers only. James 1:22

verse 3: Fear not for I am with Thee. Isaiah 43:5

verse 4: Make a joyful noise unto the Lord.

Psalms 98:4
