

## February

This month we will be learning the letters F, K, and V. We will be writing the numbers 14 and 15.

The first week of February our class will learn the letter F. We will learn about farm animals. We will count fish for math, make a paper plate frog, and learn about families. Please send in a picture of your family on Thursday, Feb. 2<sup>nd</sup> to share with the class.

The week of February 5<sup>th</sup> we will learn the letter K. We will play kick ball math, and learn about kangaroos. We will count kernels of corn for math and make a kite. We will learn about kitchen safety.

The week of February 12<sup>th</sup> our class will learn the letter V. We will learn about different vegetables that are good for us to eat. We will learn about vets and how they help our pets and we will make valentine crafts.

Our winter break will be Feb. 19 – 25.

The last week of this month will be review week of all the letters and numbers we have learned so far.

Bible memory verse: Love the Lord your God with all your heart and with all your soul and with all your strength. Deut. 6:5

Please have your child bring valentines to school on Tuesday the 14<sup>th</sup> as the children will exchange cards and we will have special treats. The children in Ms. Betsy's class are listed below:

Landon	Luke
Abby	Leah
Jacob	Nicholas
Joshua	Lexi
Abbie	Wyatt
Makenzie	Damien

The children are learning to read a little book about "Tip" the dog. The following is a list of words we have learned in class. It would be helpful for parents to review these words at home also. (the, cat, run, to, me, car, go, you, hat, no, in, a, sun, mom, on, red, blue, and yellow).

It is a pleasure to teach your children as they are all very special.

Ms. Betsy
